

# Christ the Very Form of God

Doy Moyer

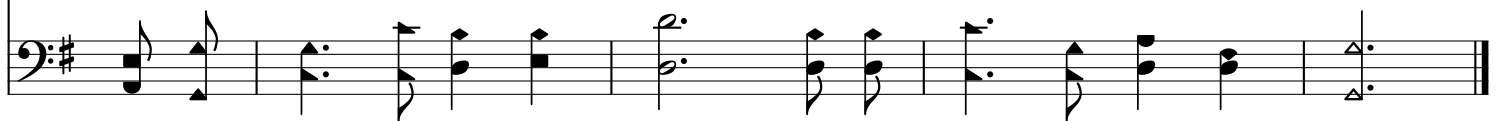

Luke Moyer

1. Christ, the ver - y form of God, did not seek to seize His place.  
2. Christ in ser - vant form came down, born in like - ness of all men,  
3. Christ, whose mind we are to know, taught us how to free - ly give,  
4. Christ, the name a - bove all names, thank - ful praise our tongues con - fess.

Hum - bled and for all re - solved, emp - tied self to show His grace.  
filled with love and for His own, shed His blood to cleanse our sin.  
raised in glo - ry to His throne, one day with Him we will live.  
Je - sus Christ the King who reigns, faith - ful love our lives pro - fess.
